Content

- Offshore Banking and Switzerland as a Jurisdiction
- Working with an Independent Asset Manager
- Working with WHVP

Jamie Vrijhof-Droese

Why do People move Money Offshore?

- Protection against domestic inflation and a sinking USD, geographical diversification, beating home bias
- Privacy and asset protection
- A safe jurisdiction in terms of government debt, politics, and legal security

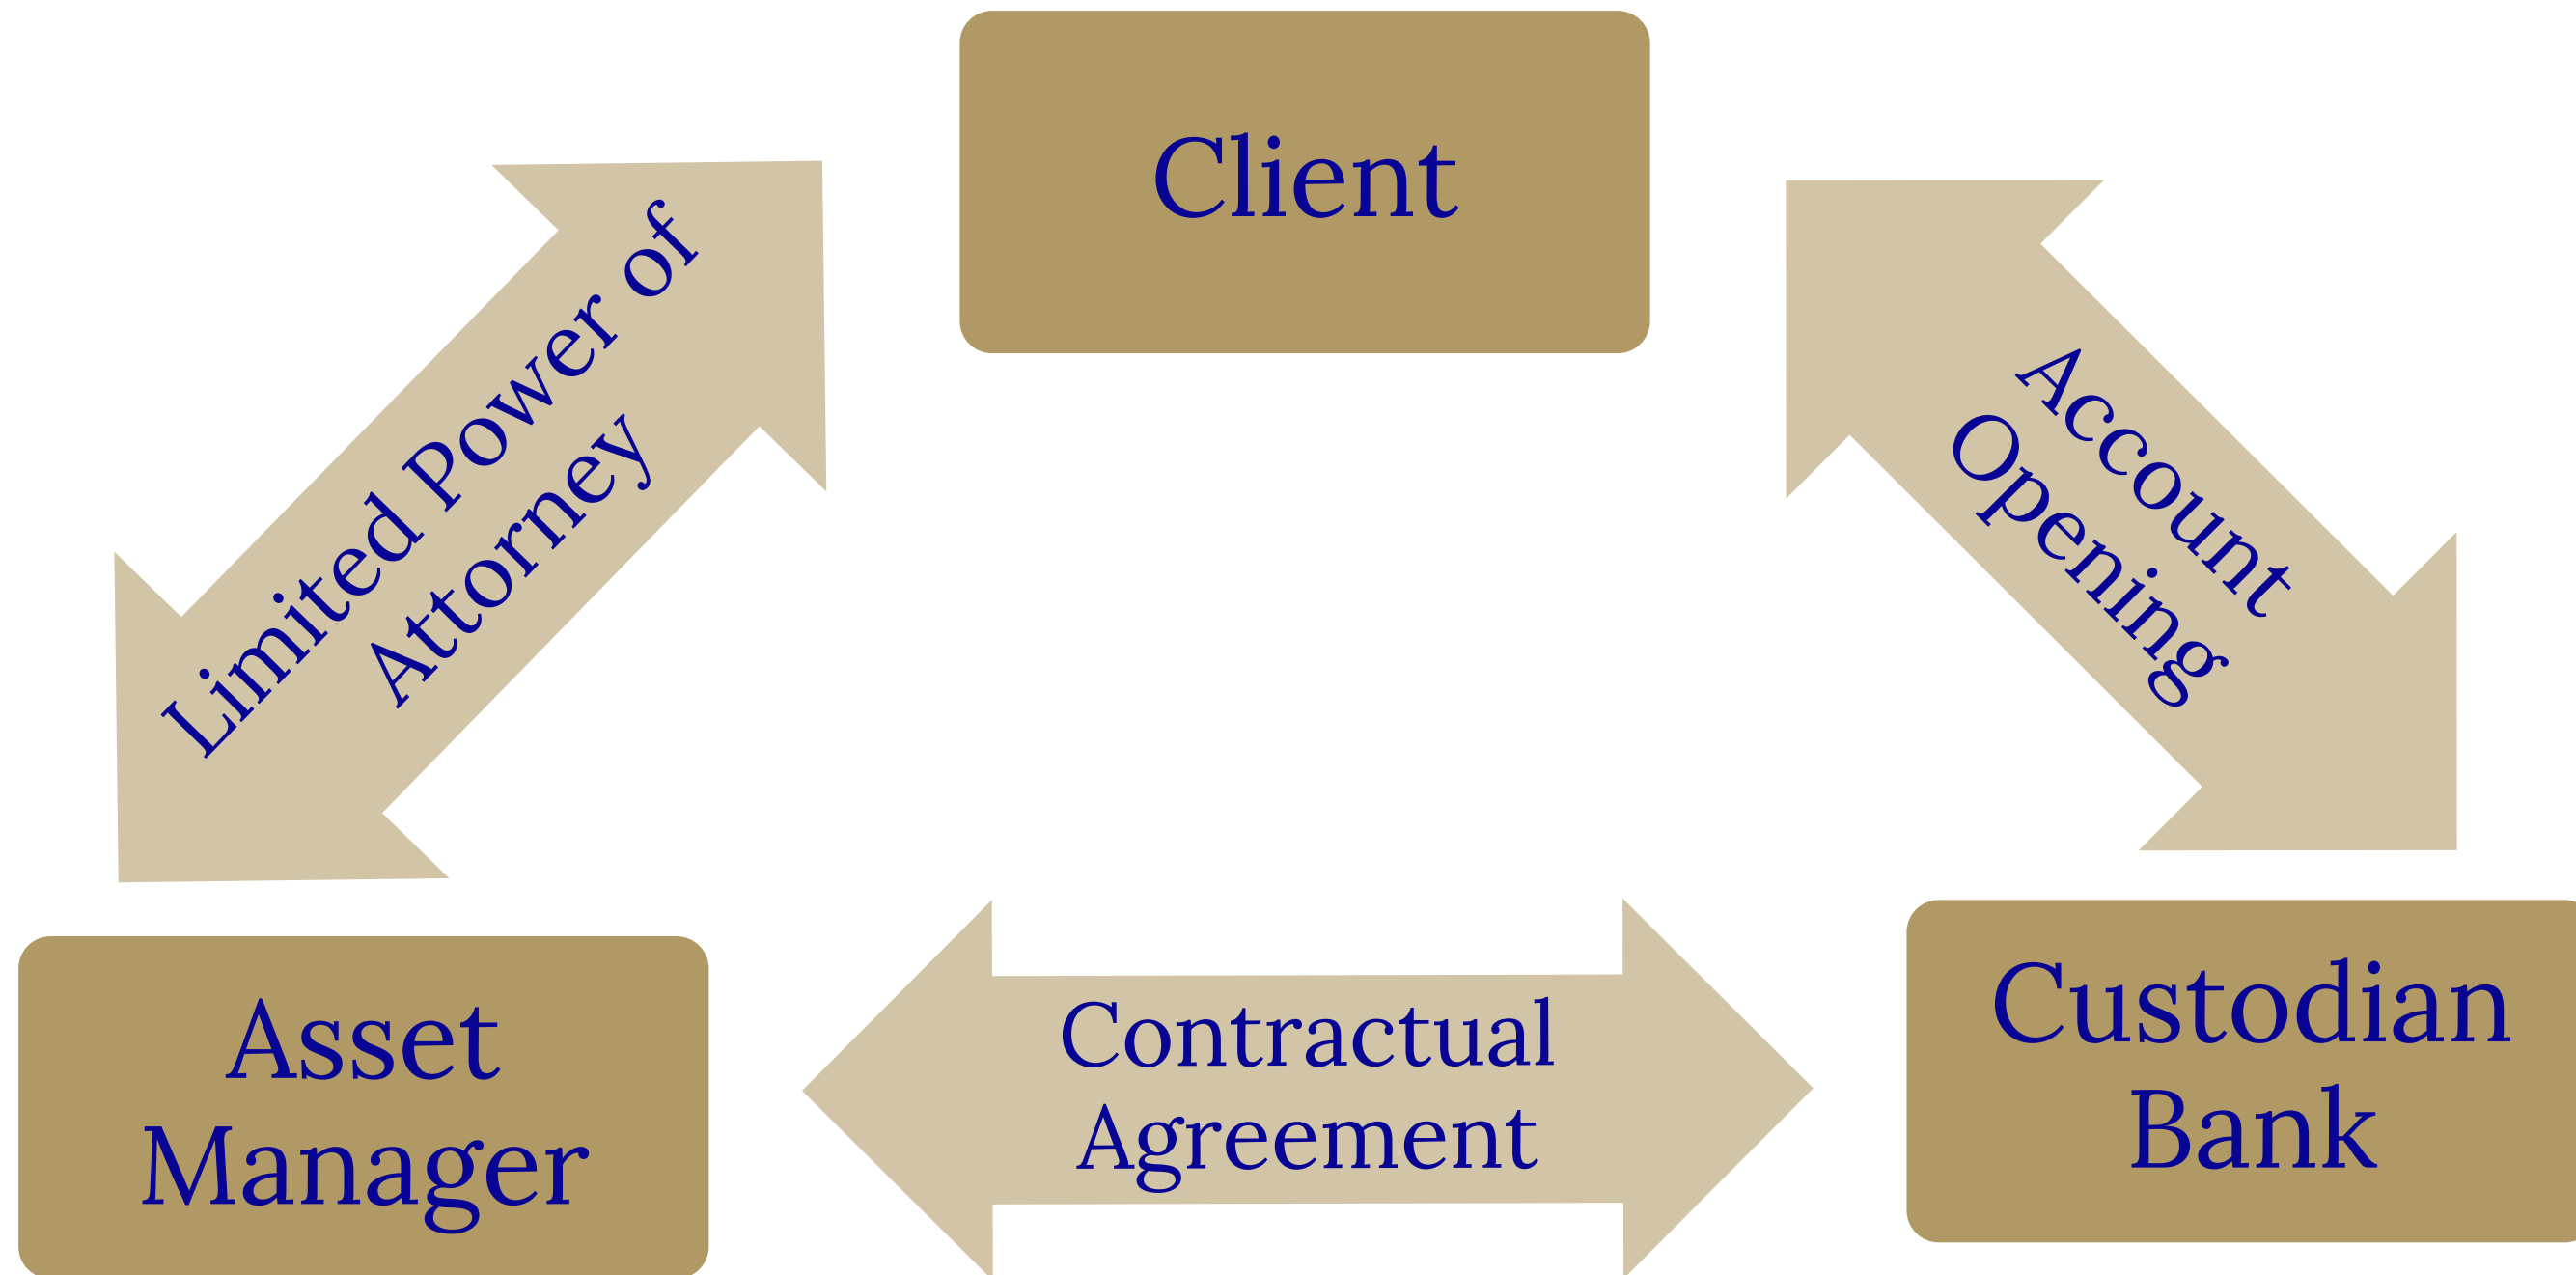

Switzerland's Economy and Inflation

- Long history and economic stability as well as political neutrality
- Exceptional education system, professionalism, integrity and strict federal laws and regulations
- Wealthy nation with high reserves, low debt and the Swiss franc as a safe haven currency

Silicon Valley Bank vs. Credit Suisse

The Set-Up

Working with an Independent Asset Manger

- Independent Partner with Focused Specialization
- Personalized Service with Direct Access to Owners and continuity
- Choice of Custodian Bank and Lower Minimum Size

Why us?
